ANNUAL COMPLIANCE REPORT

State Pollutant Discharge Elimination System (SPDES) General Permits (GP-0-16-001) OR (GP-0-16-002) for Concentrated Animal Feeding Operations (CAFOs)

Every permitted CAFO facility must submit one (1) copy of this report to the Department to the address above for the calendar year by March 31st of each year. Electronic submittals are available through the Departments web-site at: http://www.dec.ny.gov/permits/55373.html Incomplete, faxed and/or illegible forms will not be accepted. The owner/operator shall utilize this form to report all other instances of non-compliance with permit conditions not otherwise required to be reported through the Incident Report Form. A copy of the Incident Report form is required to be submitted with this Annual Compliance Report for incidents occurring during the past calendar year, not reported prior to this report submission.

Pursuant to 6 NYCRR Part 750-1.22(a) the information submitted in this report is not confidential and will not be treated as such.

SECTION VI: CNMP COMPLETION SCHEDULE

List each specific CNMP Practices that are included in your CNMP Completion Schedule. The list must include: practices installed or implemented over the reporting period, practices required for new or newly acquired operations, required practices not yet implemented which are included in an executed enforcement order, any replacements, upgrades, repairs, necessary evaluations and enhancements for future operational or management changes.

Please list all structural practices in the Structural Practices Table (Table 1) starting with the practices that are required, then ones that are replacements, upgrades or repairs then enhancements. Attach additional pages as necessary.

Please list all nonstructural practices in the Nonstructural Practices Table (Table 2) starting with the practices that are required then ones that are upgrades then enhancements. Attach additional pages as necessary.

- (1) Enter the System that the Specific CNMP practices are part of.
- (2) Enter the Specific CNMP practices
- (3) Enter the NRCS standards for the Specific CNMP practices
- (4) Enter the date of expected completion or the date in the compliance schedule of the consent order
- (5) Is the practice a required, a replacement, an upgrade, a repair or an enhancement?
- (6) Is equivalent protection being provided or has it been provided to address the resource concern?
- (7) Estimated CNMP Practice Costs The owner or operator may wish to use the NRCS guidance document entitled "Costs Associated with Development and Implementation of Comprehensive Nutrient Management Plans". The estimated CNMP practice costs will be used by the Department to determine the total costs associated with development and implementation of CNMPs in New York State

Please note, incomplete responses will not be accepted.

SECTION VII: PLANNER CERTIFICATION

I am an Agricultural Environmental Management Planner certified to develop and review Comprehensive Nutrient Management Plans (CNMPs) for Concentrated Animal Feeding Operations (CAFOs) in New York State. The CNMP that has been developed for this operation is in full conformance with the requirements of the New York State Pollutant Discharge Elimination System General Permit CAFOs. I have reviewed the current CNMP with the owner and/or operator responsible for implementation of the CNMP and compliance with the requirements of the New York State Pollutant Discharge Elimination System General Permit for CAFOs.

I certify under penalty of law that the CNMP, updates, and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
